

## Comms for NHS GG&C / NHS Inform and GP Practice Websites

### Seasonal Flu Vaccination

#### Extended Patient Cohort 60 - 64 age group

---

##### Overview

Glasgow City HSCP will be delivering seasonal flu vaccination to patients in the age 60-64 age range.

This includes people whose date of birth falls between the following dates:

**1<sup>st</sup> April 1956 and 31<sup>st</sup> March 1961.**

Patients in this age range will receive a National letter (copy attached) which will direct them to NHS Inform for further information on clinics being held in their Locality. The information below can be used / adapted for NHS Inform / NHS GG&C and Practice Websites and to respond to questions from patients who call.

---

##### Information for practice websites

If you are in the age range of 60-64, and are registered with a General Practice within Glasgow City HSCP, you are eligible for a seasonal flu vaccination this year, and will have received a National letter notifying you of this. The letter has been sent to people whose date of birth falls between 1<sup>st</sup> April 1956 and 31<sup>st</sup> March 1961.

If you have had a flu vaccine since September 2020, or have an appointment to get one, you do not need another vaccination and can ignore the letter.

GP Practices are not involved in the organisation of these clinics and therefore we cannot provide any further information regarding them – please do not phone the Practice about these vaccination arrangements.

Vaccines will be given at “drop in” clinics, **to patients registered with a Glasgow City General Practice.** (If you are registered with a General Practice in another Health Board area, or another Health and Social Care Partnership within NHS GG&C, please check for the local arrangements that are in place for to deliver vaccination.)

Glasgow City Clinics will take place on

- Saturday 5<sup>th</sup> and Sunday 6<sup>th</sup> December
- Saturday 12<sup>th</sup> and Sunday 13<sup>th</sup> December

A list of the venues and the clinic times are noted below. **Please do not attend these clinics outwith these times.**

If you are not able to attend these clinics, Community Pharmacies are also providing vaccinations to this age group from 1<sup>st</sup> to 13<sup>th</sup> December, and further information on participating pharmacies can be accessed via the NHS GG&C website.

**You should not attend if you have symptoms of Covid 19 i.e.**

**Temperature, new persistent cough, loss of the sense of taste or smell**

**If you are attending a clinic, please note the following:**

- You must bring your invitation letter with you – this confirms that you are eligible for a seasonal flu vaccination
- As there are no appointment times, there may be queues, which might be lengthy at times. Please be patient

- You might be required to queue outside, please be prepared by bringing an umbrella, wearing weather appropriate clothing
- In order to help maintain social distancing – please come alone wherever possible and follow the guidance in place maintaining a 2m distance from those around you at all times
- Wear a face covering, and use the hand sanitiser available on entry into the site
- We will have staff in place to support and maintain social distancing – please follow any guidance they give to you
- It would be helpful to wear a short sleeved top, under your coat or jacket
